

James Whale Fund for Kidney Cancer

Patient Day

Wednesday 15 June

The Lowry Centre, Salford Quays, Manchester M50 3AZ

- Have you recently been diagnosed with kidney cancer?
- Would you like to learn more about kidney cancer and treatments for kidney cancer direct from the experts?
- Are you interested in meeting other kidney cancer patients with or those who have received treatment and recovered?
- Would you like more information about the support available to kidney cancer patients and their families?

Chaired by Professor Robert Hawkins of the Christie Hospital NHS Trust. Presentations on topics such as novel treatments for kidney cancer, kidney cancer surgery, radiotherapy, work of clinical nurse specialists and patient support.

The day includes an interactive Question and Answer session with some of the UK's leading kidney cancer specialists.

Patients and carers FREE to attend!

All other registrations £55. Reasonable travel expenses for patients and carers paid for by the James Whale Fund.
