

The help button for kidney cancer patients

Click on www.jameswhalefund.org to discover a wealth of information on kidney cancer for patients and carers. Download a patient guide, speak to carers and patients, join a forum to swap experiences and much more...

And help others too...

The Fund's ability to achieve its aims is dependant on the support it receives from the general public. If you would like to raise money or give your time to the charity click the 'Support Us' tab on the website.

Or tell us about your fundraising ideas, so that we can get behind them, by emailing contact@jameswhalefund.org, writing to **James Whale Fund for Kidney Cancer, 45-48 King Street, Cambridge CB1 1LN** or calling **0844 474 5050** (Mon-Fri 10am-4pm).
